David Millis lost his honorable fight with Pancreatic cancer at the age of 54. He was the Superintendent for the Pollution Control Facility in the Village of Albion for 32 years and was an active member of the community.

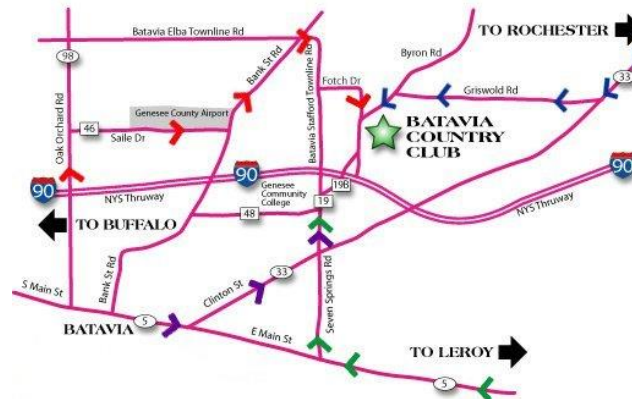

He volunteered his time to the Orleans County 4-H program and supported his family in sports and many other activities. He was truly a kind hearted, hard working, and fun loving person. Those who knew Dave will tell you that he was always there for anyone who needed help.

It is in Dave's memory that we have again selected the proceeds of this tournament to be donated to the Knights/Kaderli Memorial Fund to help families as they fight their battle with cancer. In twelve years, over \$150,000 has been raised with the support of sponsors, golfers, dinner guests, donations, volunteers and raffle prizes. The money assists with prescriptions, medical insurance, nutritional supplements, hospital beds, and other needs.

Don't miss an opportunity to help families in need, during one of the most difficult times of their life. It is in Dave's memory that this tournament will be filled with fun, laughs, good food and lots of prizes.

*We thank you  
for your support!*
